EMPOWER YOUR LEADERSHIP JOURNEY WITH CLI

Leadership Akron's Community Leadership Institute (CLI) offer a unique blend of personal development and community engagement, designed to enhance leadership qualities applicable in both the professional and community spheres. Spanning four intensive program days, CLI presents an opportunity to connect with top decision-makers, gain invaluable insights, and access premium community resources. This journey not only expands your understanding of Akron's assets and challenges but also positions you to make a tangible impact. With CLI, you'll emerge as a well-rounded leader, equipped to influence and inspire in any setting.
